

COVID-19: THE **FAKE** PANDEMIC

FAKED STATISTICS

- **No distinction** between deaths **with** vs. **from** COVID: in Italy **88%** and in US **94%** of 'CV deaths' were due to **other causes**.
- Death after +ve test recorded as CV, regardless of **actual** cause.
- Official death rates comparable to a **bad 'flu'**: 50,100 died of 'flu 2017-2018 (Eng. & Wales) cf. 41,358 of CV to 17/08/2020 (UK).
- PHE downgraded CV-19 from HCID 4 days **before lockdown**.
- CV deaths recorded on basis of **symptoms alone**, with **no test**.
- Multiple +ve tests on **same** person reported as **multiple** cases.
- **Untested** people were informed that they had **tested positive**.
- **Many eminent** doctors, virologists & epidemiologists are saying **there was no pandemic** and that restrictions are **unjustified**.

FLAWED SCIENCE

- **Flawed** model overestimated 'CV deaths' by a factor of **10–12**.
- The virus has not been **isolated** or **purified** (Koch's postulates).
- RT-PCR test "**should never be used to diagnose infectious diseases**"—Nobel laureate Kary Mullis, the technique's inventor.
- RT-PCR test is **not specific** to SARS-CoV-2.
- RT-PCR test yields up to **50% false positive** rate.
- **Inconsistent** results on the same patient.
- **Contaminated** test kits; **unused** test kits returned **positive**.
- Increasing testing rates creates the **illusion** of increasing cases.

MEDICAL MALPRACTICE

- Lockdown **caused** many more deaths than it **prevented**.
- Use of **ventilators** not oxygen masks **increased** death rates.
- Promising hydroxychloroquine research was **rigged to fail**.
- Non-COVID patients **infected** by placing them in **COVID wards**.
- **COVID patients** sent back to nursing homes, **infecting guests**.
- NHS staff ordered to **keep silent**, threatened with **dismissal**.
- Medical whistle-blowers **struck off** and **vilified**.

A 'PLANDEMIC', MASSIVE CONFLICTS OF INTEREST

- Massive financial incentives linking Imperial College, Bill Gates, WHO, GAVI, government/NGOs in CV diagnostics & vaccines.
- In October 2019, **Event 201** simulated a **global CV pandemic**.
- Corrupt, callous, cold-hearted **Big Pharma** plans to profit in **billions** by forcibly vaccinating the **entire human population**.
- Evidence the virus was **genetically engineered** in a **laboratory**.

COVID RESTRICTIONS

- **Lockdown is unprecedented:** we don't **quarantine healthy people** when 'flu, TB & other infectious diseases **kill far more** worldwide than CV has, without lockdown being imposed.
- **Lockdown is unnecessary:** many non-lockdown states had **lower infection & mortality figures** than lockdown states.
- CV restrictions have **disastrous psycho-social consequences**, esp. for children, grieving families, and those who live alone.
- **Face covering is ineffective** at preventing transmission; masks can cause **hypoxia, hypercapnia & immune suppression**.
- Further COVID restrictions will **destroy the economy**, our **way of life**, our **culture** and strip us of our **rights** and our **freedoms**.
- The restrictions are **intended** to **condition** us into **submission**.

HUMAN RIGHTS

- Any medical **test, preventative** measure or **treatment** requires **informed consent** of the patient, which may be **withdrawn** at **any time** and for **any reason** without **negative consequences**.
- We **must defend** our rights to **integrity** of **person**, **freedom of expression**, **movement** and **assembly** or **lose them forever**.

WHERE ARE WE HEADING?

- Orchestrated **further waves** of CV infections.
- More lockdowns, with **catastrophic economic consequences**.
- Forced **testing, quarantine, vaccination** and **identity checks**.
- Further and **permanent loss** of **rights, freedom** and **privacy**.
- The **global dictatorship** of the long-planned **New World Order**.

JOIN THE RESISTANCE!

- **"The price of freedom is eternal vigilance"**—true, but there is also an absolute **individual moral duty** to **resist tyranny**.
- Legitimate government requires the **consent** of the **governed**—so **withdraw your consent** and **refuse to comply**.
- **Question everything** and avoid: **TV**, controlled **mainstream media**, official **fear mongering, track & trace, vaccines**.
